Term 4

We are so excited about all of the plans for this term! Spanish with Maria and Parkour with Cayce starts today. Music continues with Deb in our newly set-up Library/Music room. Geoffrey Badger joins us for three weeks to teach our students the choral part of their Four Winds performance which takes place on November 1. Dave Hewitt will continue to take 30 min percussion lessons with the children throughout the term.

New Family

It has been lovely to have Olaf, in year 2, and Axel, in year 4 join our class this term. We also welcome parents Anna and Gab.

School Drive Subsidy

School transport is always an issue at Tanja with our limited bus service, an available subsidy that is available to families is the School Drive Subsidy.

The School Drive Subsidy is administered by Transport for NSW and is available to NSW residents in areas where there is no public transport, to drive an eligible student all or part of the way to school. The subsidy is only intended to partly offset the cost of using a private vehicle to drive the eligible student and is not intended to cover all costs.

The subsidy is for driving school students to school or to the nearest transport pick up point, by car, motorcycle or boat.

School Camp

Yesterday I met with Rhys Morgan from Parks to discuss our Aboriginal cultural expedition that will take place on day 1 of our school camp this term. Please save the dates November 7-8th which are a Thursday and Friday in week four.

Student of the Week

Our first student of the week this term is Liam! Liam has taken it upon himself to clean and tidy up after everyone. Quickly placing laptops back onto the shelves and plugging them in to charge. Putting away pencils, books and rubbish into the bin. Taking responsibility and demonstrating leadership!

Thanks Liam your efforts are appreciated!
