Stage 2 - AFL Gala Day

Years 3 and 4 had a great day on Wednesday practicing AFL skills by playing round robin games of modified AFL. We joined a couple of Pambula Public School teams, the Pambula Breakers and the Pambula Bee Gees. The modified games encouraged teamwork and skill focus by playing zones.

Players were required to stay in the zones of backs, mid-field and forwards. Backs defended and then either hand passed or kicked to mid-fields, who then got the ball to the forwards, forwards were the only team position allowed to score.

All of the referees were students from Eden Marine High School under the guidance of Mitch and Steve from AFL South Coast.

Family Visits with our Local Social Justice Advocates

Next Friday we will be welcoming three families originally from Afghanistan, Syria and Iraq to have a look at our small school. Parents and community may like to join us, some people will already be here setting up for our market day. Our guests will be arriving at 10 am, we will have introductions and then our students will lead a guided tour of our school, there will then be time for questions before we share morning tea. If you are interested in joining us please bring along a plate of food to share.

Student of the Week

This week's student of the week is **Oskar**! Oskar was a wonderful representative of Tanja Public School on Wednesday at the AFL Gala Day, demonstrating sportsmanship and fine social skills. Oskar was able to join a team of students from another school, introduce himself and become a team player, calling for the ball and sharing the ball with his team mates.

Excellent sportsmanship and social skills!

Tales from Mr. 'B'

Next Thursday we are have a Gym day at Pambula. Notes are attached to be retuned as soon as possible. Our postcards are at the printers and are looking fabulous.

This Thursday we planted out some of the veggie garden beds.
