Numeracy

Principal's Calendar

10th May

Film by SCLC Training -
Bega Valley PS

16th May

L3 Training - Bega
Valley PS

21st May

Meeting with Director
(Greg McDonald)

New students

We are excited to have a new family join us with Sherlock in kindergarten and Seth in year two. We also welcome parents Meagan and Patrick, more creative and talented school community members that allows us to be a small but dynamic school. Good to have you on board, O'Hallorans!

Cross country carnival

Thanks Fiona for the photos and the report.

The cross country carnival was an excellent day which saw all of our children supporting each other with cheering and back patting as each child finished their race. Everyone demonstrated commitment and enthusiasm, they should all be very proud of their accomplishments in the run, their support and connection to each other and for representing our school and community!

Student of the Week

This week's student of the week is **Loki**! Loki is being acknowledged for his creativity, care and dedication to learning. Mr B was particularly impressed by Loki's colour wheel last week, although he was quick to add that Loki's attitude towards learning is seen across all areas.

Amazing commitment to learning Loki!

NAPLAN this Week for Years 3 and 5

NAPLAN assesses literacy and numeracy – important skills that each child needs to succeed in school and life. The NAPLAN tests are designed to help us make sure students are on track with their literacy and numeracy development. Students in Years 3, 5, 7 and 9 participate in NAPLAN tests for reading, writing, conventions of language (spelling, grammar and punctuation) and numeracy.

Between 14th May and 16th May, our school will participate in NAPLAN Online. Students do not need to be computer experts to take the NAPLAN test online. Making sure students have computer skills is part of our school curriculum, and our teachers will ensure your child is familiar with the online format. To see the types of questions and interactive features of NAPLAN Online, visit [the public demonstration site](#).

If you have any questions about NAPLAN Online, please contact your child's teacher.
