AUSMAP - Creative and
Talented Workshop - Liam
and Jasper

Principal's Calendar

21st May

Meeting with Director
(Greg McDonald)

23rd May

Meeting with School
Counsellor (Pippa
Whyte)

How does our garden grow?

Beautifully of course! Our amazing GA, Sue, has prioritized a few garden areas to focus on which are looking amazing with a lot of help from Sam Bright (thank you, thank you, thank you Sam!). If you would like to contribute to the garden, drop by and speak to Sue.

NAPLAN

Our year 3 and 5 students joined the rest of Australia this week to participate and complete four NAPLAN tests. Tuesday like many around Australia we had some connectivity issues but we calmly either waited until the computer reconnected to server or paused the test to resume later. The rest of the week ran smoothly with no technical issues. All of our students approached the tests confidently and positively, the library where the tests were completed was a warm, peaceful space.

Ceramics Artisan program

We all enjoyed our art expedition this week and are looking forward to learning much from Janna in the coming weeks. It was a wonderful afternoon wandering down the road, eating lunch beside the dam and exploring nature's textures, colours and artistic magnificence!

Student of the Week

This week's student of the week is **Jasper**! Jasper demonstrated a high level of engagement and creativity during our ceramics expedition on Tuesday afternoon which lead to deep thinking of textures, colours and clay amongst the beautiful Tanja bush.

Brilliant creativity and engagement with learning
Jasper!

Art Expedition on Tuesday
