Hot Lunch - Fiona Cooking
Tennis - Tim driving

**Thank you Cayce for this
week's bus driving!**

Friday 16th August
Zone Athletics - Bega

Sunny - 100m

Sunny, Kai, Oskar and
Jasper - small schools relay

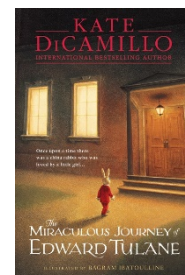

Principal's Calendar

Friday 16th August
Danielle- Long service
Leave Day

Week 3 - Classroom News

This week we have returned to our learning routines with literacy and numeracy. Kindergarten have one to one guided reading lessons followed by word work and comprehension taken from the text read. They then move on to sight words, handwriting and writing activities with Liz.

While Kinder are engaged with the teacher, years 2-5 rotate through literacy activities including spelling, handwriting, writing, reading comprehension and word games. After fruit break, kinder continue to learn with Liz while 2-5 engage in novel study. This term we are reading Kate DiCamillo's 'The Miraculous Journey of Edward Tulane'.

Hot Lunch

Mel was our fabulous cook this week, as she problem solved through the power outage to serve up a delicious Nachos! It was again a beautiful lunch, shared with children eating in a manner that demonstrated respect for Mel and the meal prepared. Thank you Mel!

Bird Olympics

It was a great day at the Bird Olympics on Wednesday as we continued to develop our knowledge and understanding of birds. Steve shared an important story about the detrimental effects of habitat loss resulting in the extinction of birds. We learned that 1/3 of bird species have already been lost and it's up to children to be the voice for the birds as they cannot not do it for themselves.

SCLC Art Show

This morning students travelled to Bega to the Civic Centre to view the SCLC Art Show. It is an amazing exhibition showcasing student artwork from kindergarten to year 12. The categories include sculpture (our entered category), photography, digital images, drawing, painting, mix media and recycled. The variety of art work is impressive.

Hiro gained a first place in K-2 and Sunny third place. Jasper placed 2nd in 3-6 and Oskar third.

Congratulations to those students who were recognized and to everyone. The presentation is at 4 pm this afternoon.

Student of the Week

Our student of the week is **Jasper**! This week Jasper has shone with his enthusiasm and dedication to learning. Jasper impressed the judges with his magpie bird call at the Bird Olympics and at the SCLC Art Show with his sculpture, 'Swooping Barn Owl'.

Congratulations Jasper!

News from the Office

Book club is due to be returned next Friday (16/8)

Updating Office Records

We are currently updating our volunteer driver information and require to have a record of sighted driver's license, car registration details and a signed copy of the Appendix 5 declaration (which includes 100pts of identification).
