Fair Ed Meeting -
Candelo

7th March

L3 Training - Bega
12:30-3:00 pm

8th March

SCLC Leaders Meeting
- Pambula

Bega Show Mural

It was wonderful to see our mural directly behind the stage at the opening of the Bega Show last week. Our school representatives (Kai, Sunny and Ryan) did a fabulous job singing, dancing and accepting our certificate for service to the Bega Show Society. As Ian Campbell commented, Tanja Public School is one of the smallest in the Valley but one of the strongest!

On the Perch

Next Friday we begin our 'On the Perch' program. We are all very excited to meet Steve and see how we can assist the park as junior park assistants before working on art and photography with Mr B. Most weeks Danielle and Mr B will be providing transport both to and from the park. Please make sure Rosemary in the office is aware of any changes or if you intend to meet us there in the mornings.

Mathematics Fun

This week in maths Liz has taught everyone how to play the traditional game of dominoes, using number skills and strategy. Maths games are a fun way to consolidate and extend maths skills.

Student of the Week

Our first student of the week this term goes to **Hunter**! This award is for sportsmanship at the small schools swimming carnival. Hunter demonstrated school spirit by encouraging his school mates to have a go in as many events as they could and then followed along the pool to cheer them on. Well done Hunter, your efforts made the day about enjoying new experiences and being there for each other. Such a great example of our school motto, 'Not for ourselves but for all'.

Tales from the office.

A reminder that notes need to be returned please 😊.

We are waiting for the "perch" excursion permissions (bright yellow note)
and the volunteers declaration (bright fluro pink).

Thanks to those families who have already returned them.

Tales from Mr 'B'

NRL second row player for the Canterbury-Bankstown Bulldogs, Adam Elliott, with our boys today. Their hats have been signed by all the team members!
