Week 5 Term 2

May 31st 2019

What's happening?

31st May

Rick MacFetters on class

6th June

*AFL session with Steve -
1:45-2:15 pm

*EAfS Instructional
Leader - Lyndall
Schuchmann

*P&C Meeting - 9-10 am -
Library

10th June

PUBLIC HOLIDAY

Principal's Calendar

4th June

L3 Visit with Instructional
Leader - Catriona Warne

7th June

SCLC Leaders Meeting -
Quaama PS

12th & 13th June

Mr B & Danielle - Additive
Strategies - Tathra PS
Rick MacFetters on class

Tanja Kitchen Garden

Last Friday our cooks were Hiro, Winston and Hunter. Food prepared was:

Vegetarian Zucchini Slice with Barbeque Sauce

Students harvested herbs from the garden (parsley, oregano, curry leaf, thyme and Bay leaf) and used one giant zucchini grown by Kai. Other ingredients included whole meal and self-raising flour, eggs, feta, parmesan and olive oil. There was not a lot of excitement about this week's cooking creation but the cook's enjoyed the process, we might need to tweak this recipe a bit!

Professional Development

This term Mr. B and I are excited to be involved in professional learning that will improve teaching and learning for our children. This week we travelled to Canberra to complete training in 'Seven Steps to Writing Success'. In week 7 we are involved in two days of training at Tathra PS in 'Additive Strategies'. Just like our students, we love learning!

Zoomobile and Bournda Program

Monday morning was a sensational morning of learning with Georgie from Taronga Zoo and Luke from Bournda EEC. Georgie brought with her a spiny leaf insect, shingleback lizard, tree frog, python and a ringtail possum. Georgie had amazing information to share as did our students. We were able to get up close and touch many of the critters, it was an interesting and engaging morning.

After fruit break Luke got us excited about finding insects around our school grounds and looking at them under the electronic microscope. Kids carefully found insects using the equipment provided then learned how to use the microscope to get a closer look before releasing the creatures.

Student of the Week - Sherlock!

Sherlock is being acknowledged for his enthusiasm and participation in learning. Sherlock has demonstrated a great ability to listen and follow instructions during a variety of activities including searching for bugs with Luke and creating and writing sentences.

Well done **Sherlock!**

Taronga Zoomobile with Georgie
