12:30-3:00 pm

8th March

SCLC Leaders Meeting
- Pambula

Welcome Oskar and Family

We welcome Oskar in year 3 to our school, along with his mother Jess and sister Olympia to our school community. We are all very excited to have them join us and look forward to learning from each other.

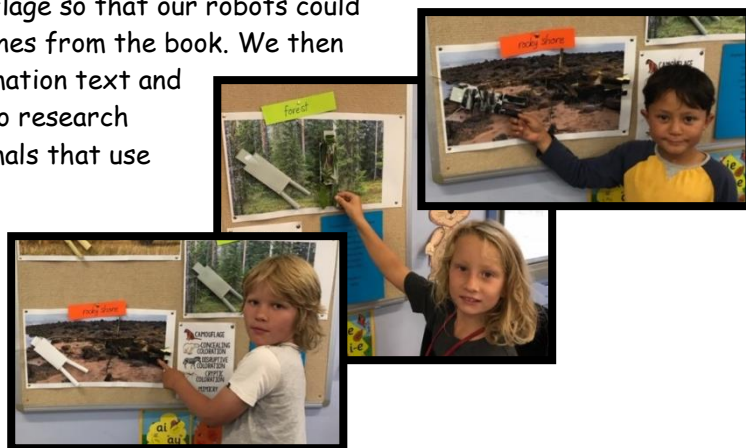

Tanja Public School Market Day

It is that time of the year when we all work together to put on our school market day. If everyone could make sure they are available in the couple of weeks prior and of course set up on Friday 12th and on the day Saturday 13th March. This day is a much loved community event and a worthwhile fundraiser but it does require full school community participation. The next P&C meeting will be an important meeting to attend to finalise preparations.

STEAM Learning

Students used science, technology, engineering, art and maths skills to create robot replicas from our novel, 'The Wild Robot', and design and create camouflage so that our robots could blend into scenes from the book. We then used an information text and the internet to research different animals that use camouflage to survive.

Student of the Week

This week's student of the week is **Kai**! We have continued to discuss the importance of learning and personal growth in the classroom which Kai has been able to demonstrate. Kai's award is for recognising and pursuing personal improvement.

Tales from Mr 'B'
