Principal's Calendar

Friday 22nd November

SCLC Meeting - Bega HS

Thursday 28th November

Meeting with Director 9 am
- Greg McDonald

Friday 6th December

PPC Meeting Tathra

Special Swimming and Water Safety Scheme

I am so proud of the consistent effort made by all of our children this week in their swimming and safety lessons. Students have been engaged in discussions of how they can be safe in and around water, including swimming pools, the beach and fresh water ways. Safety skills are taught and practised in the water (treading water, floating and how to safely help someone else who may be in trouble).

Swimming technique and style is taught by skilled swimming teachers that not only teach to their small groups but also take time to give individual praise and coaching.

We are all exhausted from the daily dash into Bega but what a wonderful opportunity, particularly coming into summer!

Transport NSW

Thank you to everyone for replying promptly regarding our communication to Transport NSW. Your responses will aid in their consideration to our request for a bus route that will pick up Tanja PS students to arrive and depart school at a reasonable time. This would be a great assistance to families financially and time wise, as we are all so busy with the daily demands of life. I will keep you informed on our progress.

Teaching Staff for 2020

This week I had the privilege of meeting with a couple of amazing teachers who answered the 'Expression of Interest' to teach at our beautiful school. One of the teachers has accepted the offer to join us in 2020 and I am so excited! Excited for our school, our students and our community. I look forward to introducing our new teacher for 2020 in the coming weeks!

Student of the Week

This week's student of the week is **Hunter**! Hunter's comment that he was happy in his swimming group and thought it was a good fit for him demonstrated a great understanding about learning. Hunter is dedicated to strengthening his swimming skills and stamina in the water.

Well done Hunter!
