Sydney - travelling 29th
March

2nd April

EFPT training - Bega
(Danielle & Rosemary) -
1:30-3 pm - Mr B on
class for half-day

Welcome

We are very excited to have Liam and his mother Fiona join our school and community this week. Liam is our first year 5 student for the year.

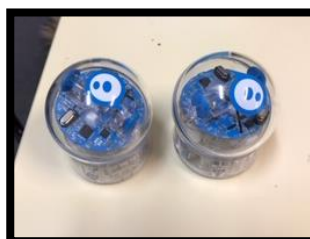

Robotics

Our new robots arrived this week, we now have a variety of robots that suit a range of ages.

Bee-Bots that are great for teaching control, directional language and programming for our younger students. Spheros which are for year 2 up and can be used to teach both block and text coding.

Both new robots will be used alongside our Cozmo robots which are more sophisticated with facial recognition abilities and the development of new capabilities the longer you engage with them.

Music at Tanja

Lovely to see the enthusiasm our students have in their small group music lessons. Smiling faces, moments of one to one tuition and the ability to watch and learn from each other is all brilliant. We are so very lucky to have Deb Weeden as part of our school!

Student of the Week

This week's student of the week is **Hiro**! Hiro is developing excellent reading skills through learning and practicing

reading strategies each day. Hiro is one to one matching, using pictures, letter sounds, rereading and uses sight word knowledge. Hiro is a champion learner!

Tales from the office.

BIG thanks to everyone for starting to get the Market Day 'stuff' moving ahead, there is a lot to be done.

Hopefully you will be able to sell some or all of the Car Raffle tickets before the dead line of March 27.

Thanks to the P&C for taking this on board, there is a potential to raise \$1000- for the benefit of all our students.

"Tails' from Mr 'B'
