### Road Safety

This week we have been talking about road safety, children know that they must wait in the school grounds until their family or lift has arrived. Children in K-2 need to wait until the person comes to the gate to walk with them to the car to ensure they are safe. It is important that we teach children the skills and awareness needed when around roads.

### Plethora of Postcards

Janna came in this week to allow a few students to finish their ceramics artworks and the opening of the 'Plethora of Postcards' is tonight. It has been such a valuable learning experience for children and Janna's time, planning and knowledge has been very much appreciated. Below are a few examples of student ceramic slab landscapes that are now on display in the music room display cabinets. Please make sure you pop along with students to see their works and others' in the Spiral Gallery as we are unable to do it as an excursion due to a lack of time before the end of the term. Tanja students' artwork really is amazing!

### Student of the Week

This week's student of the week is **Sunny**! Sunny is being recognised for being respectful of school property, of learning and of classmates and staff. Sunny has a respectful disposition at all times, endeavouring to except that we are all different and that we are all here to help one another in our learning journey.

Thank you Sunny, you are a valuable member of our school!

## From the office ☺

WAW - time frame. Monday July 1 2019
