Classroom Learning

This week we had both Geoffrey Badger and Greg Sheehan coach our students in singing and percussion before the big performance day today. The highlight was a very entertaining interactive performance by Greg using various sized dog squeaky toys.

Today's performance is not a polished production but rather an opportunity to come together with around 200 students while being lead by inspirational musicians.

Second Class 2020

An expression of interest has been emailed to principals to forward to suitable applicants and will be advertised in SchoolBiz. In our ongoing effort to provide our students with engaging and age appropriate teaching and learning experiences. We are changing the teaching structure next year with two classes (K-2 and 3-6) for around 4 hours on Monday, Tuesday and Wednesday with the remainder of the time being K-6.

OzHarvest Feast Cooking

Children learned how to put together a cob loaf with greens from the garden this week. Hollowing out the loaf and crisping in the oven before compiling the variety of greens, cheese and a cream base.

Everyone also enjoyed eating some leftover cooking that had been previously frozen.

Student of the Week

Loki and Sunny are both being recognised as student of the Week! Loki for his commitment to learning, giving thoughtfully considered and extended answers in novel study. Sunny for his care and compassion for others. More than once this week Sunny has quickly come to the aid of a fellow classmate.

Loki and Sunny have stood out this week as thoughtful and considerate individuals.
