### Week 7, Term 3

#### Life Education Van

The Life Education Van will be visiting Tanja in Week 7. Delivering important information for 4-6 on healthy lifestyle choices, around the effects of nicotine on the body and how we can avoid this harmful substance. As well as working with K-2 about make healthy choices around food and friendships.

#### Cooking with Sue

continues to be a highlight of the week. In week 6 students made a delicious quiche using eggs and spinach taken fresh from the school grounds.

#### Weaving with Sandy

Everyone has been enjoying their weaving lessons with our guest artist Sandy and I look forward to seeing their finished creations.

### August 28th, 2023

#### Check-in Assessments

During Week 8, Year 6 students will participate in the Check-in assessment (Years 4 and 5 will participate in Term 4, Week 2).

The Check-in assessment is a NSW Department of Education online literacy and numeracy tool which we use to assess and monitor student learning in order to help teachers tailor their teaching more specifically to student needs numeracy assessment. Feel free to get in touch with Nik if you have any questions about it.

#### Yoga Mornings

Students have been participating in some yoga for morning movement over the last two weeks with the aim of developing greater awareness of their bodies. We have particularly been looking at how certain muscles relate to different movements. As well as how we can use breathing to help us stay or regain calm.
